University of British Columbia February 25, 1975  
VANCOUVER 8, B.C.

Salutations and felicitations from all 154 '74-'75 VOC'ers. Our membership hasn't dropped much from last year, despite the fact that a ski club has now made an appearance on campus.

Since the cabin has been used fairly infrequently by VOC'ers in the past few years, we have decided to let the ski club members use it, on a trial basis. So far it seems to be working out quite well - over 250 people stayed there over Whistler Lux.

Other Christmas trips this year went into McGillivray Pass, Little Yoho Valley, Spruce Lake - who reportedly had a bit of trouble finding the cabin -, Lake O'Hara, Tonquin Valley, and Kokanee - slackers who choppered in. Everyone assures everyone else that their trip was the best.

Thanks to a couple of floor hockey nuts, VOC is once again commandeering one of the gyms for Friday Frolics, Saturday Shenanigans, or Sunday Scuffles. For those who prefer less exuberant sports, volleyball and badminton are often available. Such physical endeavors are usually followed by a visit to the nearby Dairy Queen.

Longhike found the cabin dance floor in a sardine tin state. New members were introduced to the Salty Dog Rag - much to their, and everyone else's amusement. Chief Day surprised us by not raining, and travellers along the Squamish Highway were startled by little blobs clinging all over the rock. A singsong at Kakademon closet was held afterwards. The Hallowe'en and Christmas Reunion Parties were also up at Whistler, with some downhill skiing being enjoyed by those who could afford it.

The banquet this year is being held close to home - in the SUB Ballroom. The date to remember is March 22nd, with the gossip session starting around 5:30. Unfortunately inflation has once again done its thing - tickets cost \$8.00. John Clarke will be giving one of his excellent slide shows, which alone is worth the price of a ticket. For more information and tickets, contact Moira Lemon (224-0483) or Vicki Seraphim (224-7309).

There is an ever-increasing list of "lost" people; those who have done nasties like moving without telling us. If you know where any of these people are presently abiding, I would be very grateful if

you could let me know. This year's address list consists of corrections, and additions to last year's. (The typist refused to do it all over again.) If you didn't get one last year, let me know, and I'll send one out (postal strike willing).

The journal editors assure me that this year's journal is going to be the best ever (with an even better centerfold than the last one). If you would like a copy, fill out the form below and send it to us along with \$1.50.

Hopefully we'll see you at the Banquet, until then - fair winds and a starboard tack.

Yours truly,
